

Web Design

In order to efficiently create a [Web Site](#) for you, we have provided this list for our new clients.

Please provide the following:

Email Address to communicate with you.

Contact Number and Best Time to call.

Do you have a Domain Name? If so, please advise the name and provider.

Do you have a Wix Account? Or another current Provider?

Do you have a logo?

Do you need a logo?

What is your timeline for completion?

Do you need to take payments on your new web site?

We will need information about your business or event. About Us, Phone Numbers and Email Addresses, Physical Address, What you do and what area you are targeting, A good Mission Statement and About Us information (Very Important).

Please send any images, data, and or product related information to our email and place your business name in the subject line to info@vividmediamail.com
